

MASTER LEDspot LV

MASTER LEDspotLV 4-20W 4000K MR11 24D

Delivering a warm, halogen/incandescent-like accent beam, MASTER LEDspot MR16 lamp is an ideal retrofit solution for spot and general lighting applications in the hospitality industry. It is particularly suited to public areas such as receptions, lobbies, corridors, stairwells and washrooms, where the light is on all the time. The robustly designed MASTER LEDspot MR16 has a 24° beam angle for a clearly defined beam spread. There is no UV or IR in the beam, making it suitable for illuminating heat-sensitive objects (food, organic materials, paintings, etc.).
